### Comment

IT IS TIME FOR THE US PUBLIC TO STOP ISSUING PAYMENTS FOR DISEASES IN FISH. FRANKLY, THERE ARE MANY DISEASES OF ANIMALS GOING ON ALL OVER AMERICA AND IT IS GETTING TO BE THE NORMAL RATHER THAN THE EXCEPTIONS. SNAKES HAVE TUMORS. DOLPHINS DYING IN HUGE NUMBERS. STARFISH DYING. DEER WITH EHD, CWD. CATTLE WITH MAD COW, FISH IN NJ HAVING FURUNCULOSIS AND EVERY OTHER DISEASE KNOWN TO MANKIND. BATS DYING FROM FUNGUS. THE US PUBLIC CANNOT CONTINUE TO PAY FOR THESE ANIMALS DISEASES ANY MORE THE FACT IS WE ARE DROWNING THIS COUNTRY IN TOXIC CHEMICALS AND WHEN YOU LIVE AMONG TOXIC CHEMICALS, YOUR BODY AND THAT OF ANIMALS AND PLANTS DIE AND GET DISEASED AND INJURED. THE WAY WE LIVE IS BECOMING INCREASINGLY UNDER ASSAULT. SO IT IS TIME TO STOP THIS PROGRAM. I ALSO NOTE THAT PAYMENTS SEEM TO BE MADE MULTIPLE TIMES TO AQUACULTURISTS WHO JUST CANT GET IT STRAIGHT TO PRODUCE HEALTHY FISH. I THINK THAT MAKES NO SENSE AT ALL AND WE ARE THEREFORE REWARDING WITH AMERICAN TAX DOLLARS AN AQUACULTURIST WHO SPECIALIZES IN FISH DISEASES. WE CANT DO THAT ANYMORE AND THAT IS A STUPID WASTEFUL MOVE WITH OUR TAX DOLLARS. WE NEED TO CUT THE BUDGET OF THE USDA WHICH IS AT \$986 BILLION DOLLARS, AND AS YOU CAN SEE THAT IS FAR TOO HIGH A NUMBER. THE USDA IS RAMPAGING OVER THE 325 MILLION RESIDENTS OF THIS COUNTRY TO RIP US OFF WITH THEIR GETTING SUCH A HIGH SHARE OF OUR TAX DOLLARS. AQUACULTURE NEEDS TO BE DOWNPLAYED. AQUACULTURED FISH ARE SICKER AND WEAKER THAN WILD FISH. AQUACULTURE MAKES A LOT OF DEBRIS AND WASTE AND WASTES WATER IMMENSELY. THE JUNK IN THE WATER OF AQUACULTURED FISH IS CHEMICAL AND FULL OF FISH FECES. THEY HAVE NOT FOUND A WAY TO DO THIS INDUSTRY WELL AND AT PRESENT IT REPRESENT ENVIRONMENTAL DEGRADATION WITH DISEASED WEAKER FISH AS A RESULT. CLOSE DOWN ALL TAX DOLLARS FOR AQUACULTURED PROFITEERS. THE BUDGET FOR THIS PROGRAM SHOULD BE ZERO.
