To Whom This Concerns:

In a recent notice published in the Federal Register (<http://www.gpo.gov/fdsys/pkg/FR-2015-03-05/html/2015-05074.htm>), it states that FEMA updated the Special Flood Hazard Determination Form (SFHDF) based on comments received in response to an earlier request for comments. On behalf of the Association of State Floodplain Managers (ASFPM), we would like to request a copy of the updated form so that we may provide any additional comments. You can forward an electronic pdf version to [babender@cox.net](mailto:babender@cox.net).

Thank you for your time,  
Bruce
