Responding on behalf of Colorado regarding estimates of time burdens:

Nominations submitted by:

1) individuals/households

receive approximately 5 (nominations per year), average time per response 150 hours

2) consultants

receive approximately 15, average time per response 120 hours

3) district nominations by consultants

receive approximately 5, average time per response 180 hours

4) under existing MPS covers by consultants

receive approximately 5, average time per response 100 hours

5) newly proposed MPS by consultants

receive approximately 2, average time per response 230 hours

Please let me know if we can be of further assistance.

Thank you and have a great day.

Best,

Astrid
