What is the purpose of a national ELD vendor registry, if for no other reason, than to identify/control/authorize the exclusive right to sell, by campaign donating, technology vendors of these ELD's????!!

There will be " Ba-Zillions "\$\$\$\$ to be made by manufacturers/service providers of this federally-mandated data platform/ ELD, make no mistake about it, which is the " TRUE " incentive behind all rules/ regulations pertaining to the Electronic Logging Device mandate. Not only does the current President and his Minions want complete control of the Transportation systems (DRIVERS) in this country, they also want control of the companies that stand to benefit sensationally/ exorbitantly from profits made directly from forced, federal compliance laws.

I am suspecting that this process of " Vendor Registration " with the appropriate Federal Agencies, will be the only & exclusive entrance into this HUGE lucrative ELD business. I believe manufacturers of these ELD's and Data platform service companies will all be required to be registered, just as Physicians must be qualified/ listed on a National Registry to be allowed to perform Commercial Medical Exams. It

must be recognized/ understood that initial & periodic qualification/

registration fees will, undoubtedly, be required! Guessing, maybe \$100,000 to qualify and 10% of Net Profits of each player, Biennially!, JUST SAYIN' !!!

Honestly, I just don't know why these Communist/Socialists waste anyone's time by asking for comments about their agenda??!! You'all know what their intentions are and what the end result is going to be. It is going to be " Their Way " or

the " Highway "!!!, However, that highway just might be completely Jammed-Up with parked 18-Wheelers and no Truck Drivers willing to move 'em if this

Whitehouse/Outhouse administration continues their communistic oppression!!!
