## General Comment

CMS-R-262 (OMB 0938-0763), Section Rx, CY 2017 PBP Data Entry System Screens, Medicare Rx - Tier Model (when a tier includes 5 tiers), page 7

The formulary tiers refer to non-preferred generics, however, the 2016 call letter, page 156 tier labeling and composition told us that non-preferred generics had to be change to "generic" and it is not reflected in the documents we reviewed.
