## General Comment

CMS-R-262 (OMB 0938-0763), Section Rx, CY 2017 PBP Data Entry System Screens, Alternative - Retail Pharmacy Location Supply - Pre-ICL, page 34

The formulary tier labels appear to be set; however, on this screen and others, it appears as though the plan may enter a tier description. Will these descriptions override the formulary tier labels? If not, what is the purpose of plans inputting their own descriptions?
