General Comment

The required paper work is a tremendous burden for the small farmer. No secretary or staff to delegate to. Some of us, like me, grow single crops, orchards, and nothing changes year to year...NEVER! There needs to be a box at the top of every form that says "no change from previous year". I have 45 acres of dry farmed, no irrigation walnuts. We are organic and NOTHING EVER CHANGES, YEAR TO YEAR.

Thank you,

Ted Jorgensen
