Subject: 1615-NEW - USCIS - Docket ID USCIS-2015-0004

Hello -

My email is in referral to the revision of form I-131. The form is confusing as it requires information from some applicants that is not necessary; ie: for I-485 applicants it requires them to indicate why they need to travel, and the dates of travel -- when this is not required under their qualification for the travel document. This should be edited so they do not have to complete this section.

Thanks,
