Subject: Comment: 3037-0005 Nonprofit Agency responsibilities

Arizona Industries for the Blind is a qualified nonprofit agency for the blind participating in the AbilityOne program authorized by the Javits-Wagner-O'Day Act. We are responding to the March 21, 2008 notice in the *Federal Register* published by the Committee for purchase.

1. We believe that individual project recordkeeping will be a non-value added cost that our customers will not be willing to pay for. We estimate that it would take an additional resource, software upgrade and new hardware to implement.
2. Recordkeeping by product or service family should be sufficient. We request OMB to approve recordkeeping only by product or service family.

Sincerely,

Richard J. Monaco
