Under Section 245(k) of the INA, applicants, who have violated their status for less than 180 days from their law admission, namely failing to maintain their lawful status, working without authorization, etc., may file I-485 application to adjust their status based on approved certain types of employment immigrant petitions. Therefore, we recommend to add a question "Are you applying for adjustment based on the Immigration and Nationality Act (INA) section 245(k)?" under Part 2 Application Type or Filing Category of the form I-485.
