Hi Kristen,

Thanks for your question. You're correct, the recordkeeping requirement and time burden of this information collection is directed at foreign entities which utilize the 126.18 exemption. Please let me know if I can answer any more questions for you. Have a great day,

Best regards,

Subject: Information Collection

Hi Steve,

With regard to the attached information collection, is the request, and the time estimates to comply with 126.18, directed at foreign entities that use the 126.18 exemption? Can you provide any more information on this request as to the intended respondents?

Thanks in advance,
Kirsten Shumway
