Subject: Fw: public comment on federal register American overrun with foreigners Obama destruction of america

no appeals of decisions should be allowed for foreigners. they are not American citizens and they should not have all the rights of americans when most of them are illegal sneaking lawbreaking immigrants. what kind of chaos do they bring with crime, prostitution, etc. if this form is continued however, the cost of any filing of this form by these leaches who come here to get on welfare rolls, the cost of filing the form should go up to \$25,000. its time to have the costs all these lawbreakers cost to American citizens be covered. each year the cost of filing this form should go u. its clear that the American people are taking the brunt of the costs of these leaching sneaking lawbreakers from foreign countries. they belong in their own country but they are breaking laws to come here. they have no right to have any benefits at all the only thing that should happen is for them to be lined up and put on a bus and sent back to their own country. this comment is for the public record. please receipt. jean pulieejeanpublic1@yahoo.com
