this program needs to be shut down. we don't need foreigners of any kind to come here to take jobs. we need jobs for americans. thjis program is a traitorous act. we are flooded with millions of refugees, millions of sneak illegal immigrants, millions of green cards. we have few jobs left for americans. this program should be shut down for a moratorium period fo 5 years. it is time that American crooked pols and businessmen stop busting wages for americans and seek to make americans into paupers. this country belongs to us - to those that are here legally. that is why we have a constition. this program needs shut down. it need complete shu down. it needs its buget reduced to zero. we don't need or want any more foreigners brought to this country for any reason. we have 325 million people here who are very competent. we made this nation great once before and we can do it again. we just need to stop letting all our money flow out of this country and stop the huge overloading of this nation with foreigners, who come here to rip us off. they are not even here legally. the people who come here legally and in full respect of our laws are the kinds of people we want here. th eres tare here to enrich themselves by ripping off ameicans. I see every day examples of foreigners ripping off American citizens with their schemes. when have you seen an American worker in a Chinese restraurant for example. these entrepreneurs who come here promising jobs. they never hire American workers. they bring over more and more and more fake "relatives" from indian or someplace else. they never

build what they said they will build. this entire corrupt scheme involving overloads of foreigners is harming and hurting America.

shut down this entire program. we have a president who seems to have in mind turning ameica into a third world country and he is s

succeeding with the bad policies of ignoring laws WE HAVE ON THE BOOKS AND NOT ENFORCING THEM WHA TKIND OF LOUSY

PRESIDENT IS THAT. WE HAVE VALID LAWS ON THE BOOKS. USE THEM. ENFORCE THEM. THE LAWLESS WAY THIS

COUNTRY IS BEING RUN IS A HORROR TO BEHOLD.
