

- (A) Oklahoma requires CDL applicants to schedule an appointment for the Commercial Driver License Skills Test. The applicants are able to schedule within seven days. Due to the high volume of applicants that do not show up for their test or call and cancel, we are able to offer walk in testing on a daily basis.
- (B) The applicant is required to wait 24 hours to retest. The wait will be the same as the initial request. If the applicant fails the skills test three times, they are required by Oklahoma Administrative Code to wait 30 days between each test.
- (C) Oklahoma has twenty one (21) AAMVA Certified Commercial Examiner's and ten (10) Third Party Examiners. The Third Party Examiners are employees of Public School Districts and test applicants for the School Bus and Passenger endorsements.
- (D) Oklahoma has nineteen (19) State Examiner locations and ten (10) Third Party Examiner locations.
