this form should be dissolved and unused. i see no reason why there should ever be any allegedly Urgent medical or humanitarian visa should be issued. if you live in a foreign country, seek your help in that country. i also believe the costs of this visa are not practical, utiliarian or honest to the taxpayers, who are paying through the nose for allowing these forigners to come here., the tru costs of these visas needs to be charged. none should ever cost under \$1,0000. i see no reason to allow a treaty visitor to come here. this comment is for the public record. please receipt. jean publiee jeanpubilc1@gmali.com
