An insignificant change was made to move the paperwork reduction act information to the instruction page in order to make the form less cramped and more room for the signature/approval area. At this time, that is the only change that has been made. As a reminder, the renewal is sent out from our office prepopulated with the licensee information and the fee due; therefore, it is not available as a fillable form on the web. Thank you.

Good morning Joshua –

Attached is a copy of the Draft Form 8 that you requested. An insignificant change was made to move the paperwork reduction act information to the instruction page in order to make the form less cramped and more room for the signature/approval area. At this time, that is the only change that has been made. As a reminder, the renewal is sent out from our office prepopulated with the licensee information and the fee due; therefore, it is not available as a fillable form on the web.

Thank you.

Dear Ms. Robertson,

I'd like a copy of the proposed information collection instrument, with instructions, for FR Doc. 2017–16330, published in yesterday's Federal Register:

<https://www.gpo.gov/fdsys/pkg/FR-2017-08-03/pdf/2017-16364.pdf>

Thank you for your time and help.

Sincerely,  
Joshua Eaton
