Medicare Health Outcomes Survey Questionnaire (English)

HOS 3.0 2018

Insert Cover Art (English)

Medicare Health Outcomes Survey Instructions

This survey asks about you and your health. Answer each question, thinking about <u>yourself</u>. Please take the time to complete this survey. Your answers are very important to us. If you are unable to complete this survey, a family member or "proxy" can fill out the survey about you.

Please return the survey with your answers in the enclosed postage-paid envelope.

>	Answer the below.	questions by putting an 'X' in the box next to the appropriate answer like the example
	Are you mal	e or female?
	1	Male
	2	Female
>	Be sure to re	ead all the answer choices given before marking a box with an 'X'.
>		netimes told to skip over some questions in this survey. When this happens you will see ells you what question to answer next, like this:
	1	Yes → Go to Question 35
	2	No → Go to Question 36

All information that would permit identification of any person who completes this survey is protected by the Privacy Act and the Health Insurance Portability and Accountability Act (HIPAA). This information will be used only for purposes permitted by law and will not be disclosed or released for any other reason. If you have any questions or want to know more about the study, please call [vendor name] at [toll-free number].

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information that does not display a valid OMB control number. The valid OMB control number for this information collection is 0938-0701. The time required to complete this information collection is estimated to average 20 minutes including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, C1-25-05, Baltimore, Maryland 21244-1850.
