HIRE Vets Medallion Program

Document: VETS-2017-0001-0019
Comment on FR Doc # 2017-17249

Submitter Information

Name: Jennifer Murray

Address:
Washington, DC,

Organization: NA

General Comment

It is unclear from the current text of the notice of proposed rulemaking whether the Department believes that the fee authorized by section 5(b) of the HIRE Vets Act (division O of Public Law 115-31) may be collected immediately pursuant to that section of that Act or whether the fee authorization in that section requires a future appropriations action to trigger the fee collection.
