Comment:

I'm glad that the #ReleasetheMemo affair has landed in the capacious lap of President Tiny Hands. Because this is exactly the type of thing he is most qualified to handle. In fact it's like Trump's greatest hits, featuring: - wingnut conspiracy theories - alternative facts - lies, omissions, words taken out of context, exaggeration, etc. - manufactured suspense While we're waiting for Nunes' memo, here's one of my own: "To whom it may concern, President Tiny Hands is a world class ignoramus, a vulgar clod and the Wikipedia entry for Ugly American. But he has the support of Fox & Friends, GOP contortionists and white supremacists. So he's not just an idiot; he's a dangerous idiot. *🇺🇸"
