Who/what wouldn't the GOP throw under the bus, if doing so allowed them to continue ramming through their wingnut agenda? In President Impeachment Bait's first year they have been willing to sacrifice: o traditional allies o rule of law o science o facts o decorum o immigrants including legal immigrants o African Americans and non-whites in general o standards for public service, i.e. not appointing unqualified judges o red voters in blue states, who will be punished by the GOP tax scam o working class voters, who will be punished by GOP budget Save the forests, ditch the GOP. *🌐
