**Subject:** Republic comment on federal register : imposing debts for american taxpayers for these foreign invaders who sneak into america  
**Date:** Friday, December 8, 2017 10:44:30 AM

I am sick to death of American taxpayers shouldering the burden for the costs of all these foreigners who want to come here to exploit our country. they are not here to help us in any way. they are here to see what they can get for free. they apply for every freebie they can get. shut the goddam door to them. or at least raise the fees that they must pay to come here. you are giving them a paupers fee to pay. the fad m immigrants should have a fee of \$5,000. not \$200.

and the others should pay a \$10,000. fee . the costs to run this dept are extensive. instead this dept has been lowballing these immigrants and charging the American people an arm and a leg to fund this dept. we are sick of this harm to American citizens. you are balling us for millions for these immigrants. that needs to stop. while American citizens are gouged into the bankruptcy courts for high taxes. these foreigners breeze in and pay nothing. that needs to change. the costs are high in our govt. lets cover them with foreign moneys. this comment is for the public record. we have been played as saps for years by them and by this agency. this comment is for the public record please receipt. jean publicee
