THIS AGENCY'S ALLOWANCE OF MONSANTO AND SYNGENTA TO SELL THE KINDS OF TOXIC PLANTS THAT THEY DO NOT HELP AMERICA. I DO NOT THINK YOU ARE DOING YOUR JOB TO PROTECT AMERICA. I THINK YOU ARE WORKING TO PROTECT PROFITEERS' ENRICHMENT. TOO MUCH GMO PLANTS HAVE BEEN APPROVED WITHOUT ADEQUATE SAFETY TESTING. I SUGGEST YOU MAKE THE EXECUTIVES OF THE PROFITEERS AND THEIR FAMILIES EAT THE CRAP GMO FOOD THEY WANT TO SELL FOR 20 YEARS. IF THEY ARE STILL ALIVE AND IN GOOD HEALTH AFTER 20 YEARS, MAYBE THEN WE SHOULD ALLOW IT TO BE SOLD.

THE UNKNOWN'S ON THESE PLANTS ARE ENORMOUS. WE KNOW WE ARE KILLING SO MUCH OF NATURE, WILDLIFE BIRDS, BEES, SNAKES, BATS WITH THE CRAP CHEMICALS THAT THIS AGENCY IS APPROVING.
