

XXXIII. NWOS Public Telephone Survey Guide

INTERVIEWER INTRODUCTION

Interviewer text:

Hello, this is <NAME> calling on behalf of the <STATE> Field Office of USDA's National Agricultural Statistics Service. We are conducting the National Public Land Manager Survey for the U.S. Forest Service and you were selected to participate. Several weeks ago you were emailed a copy of this survey. We have not received it and were hoping to collect the data by telephone today. Your cooperation is extremely important to the accuracy of the survey and your individual report will be kept confidential (under Title 7 of the U.S. Code and CIPSEA (Public Law 107-347)). Response is voluntary.

The rest of the interview time is allotted to going through the survey and recording land manager's answers. These interview questions will a subset of the National Public Land Manager Survey (below), with the interviewer reading the questions and the land manager responding. Interviews will not go beyond the allotted time (15 minutes).

1. How many total acres of land are currently under your agency's jurisdiction in <STATE>?
_____ acres

2. Forested land covers XX% of <STATE>.
Forested land includes:
 - ✓ Woods, woodlots, timberland, and forests
 - ✓ Land at least 1 acre in size, 120 feet wide, and has at least 10% forest cover
 - ✓ Land at least 1 acre in size, where trees were removed and trees will grow againForested land does *not* include:
 - ✓ Christmas tree farms, orchards, or nurseries
