all caca lying children shoudl be removed from teh usa immediatelyh. i oppose allowing these unlawful entrants intot eh usa to stay here. no american taxpayers shoudl ahve to pay for their eecuation. they do not belong here from the beginning according to our laws and letting some obscure judge let them enter our schools should be illegal. this was a 1950 decision when only a few came here to leach on americans. now tens of millions have laerned they too can leach on american taxpaeys and so tens of millions have come here for the good life so they can get free medicine, free education, free rent, free fodod and they pay for nothing and apply for every welfare system int he country. it is time to shut down this highway robberry that is going on for these sneak lawbreakers. none of them should ble a,llowed to remain here and every one coming now should be immediately returned to teir own ciountry to apply for citizenship from their own country our own corrupt politicians have foisted these out of control illegal immigrant costs on taxpayers, so that taxpaeys are being gouged to pay for all these foreign leaches. this needs to stoip. we are being taken advantage of and robbed royallty for eveyrbody else from every other freaking country in the world. mnany of them have the most disgsuting customs ever and they sneak in here qnd take our money from our pockets. this is done because politisans have the crooked swchemeof giving cheap labor to gtheir rich pals in slaughterhouses and other disugsintg places of work. this needs to stop. the average citizen of the usa are being taken advantgagage of and robbed horribly. shut downt ehg iullegal imimbrant chain. shut down the illegal imimgrant leaching. depor them all immediately when they show up at our border., police the borders with both canada and mexico.
