Hello Bria,

Thank you for your comments and request for documents relating to our notice published on September 11, 2018.

Attached are the documents we have relating to the transitional guidance under section 162(f) and 6050X. Please be aware that the guidance is still being developed and these draft documents may change as the IRS finalizes its efforts relating to the new law.

I hope this helps. Thank you again, for the opportunity to serve.
