Dear Department of Homeland Security, I am writing to you regarding the document named: Application for Waiver of Grounds of Inadmissibility Under Sections 245A or 210 of the Immigration and Nationality Act. I am a very concerned American Citizen, I believe that this proposed rule is unlawful, unfair and discriminating to all immigrants and children of immigrants because, it is denying them an opportunity to become citizens of this great country that has always been great since the beginning. If this proposed rule becomes a law, the whole country would suffer loss. Why you ask? because immigrants contribute greatly to this country and if they'd become citizens they would contribute much more to our country. People who were/are in need should not be denied help. As the words written on the Statute of Liberty says "Give me your tired, your poor, Your huddled masses yearning to breathe free, The wretched refuse of your teeming shore. Send these, the homeless, tempest-tost to me, I lift my lamp beside the golden door!". The Statute of Liberty, is an important symbol of our country welcoming many immigrants through the decades. Please, I suggest that this proposed rule would be reconsidered and examine the well being of the citizens and everyone who has human rights. Also, may I recall a certain biblical scripture that says in Exodus 23:9, Do not oppress a foreigner; you yourself know how it feels to be foreigners, because you were foreigners in foreign lands.

Sincerely, A Concerned American Citizen.
