Response to Comments:
60-Day Federal Register Notice – SNAP Store Application Forms (FNS-252)
Docket: FNS-2018-0034
Comment Period End Date October 16, 2018

Dear Ms. Midgette:

Thank you for your comments submitted via email to RPMDHQ-Web and <http://www.regulations.gov> on October 7, 2018 regarding the Federal Register Notice requesting comments on the proposed information collection for the Supplemental Nutrition Assistance Program (SNAP), Store Applications, Forms FNS-252, FNS-252-E, FNS-252-FE, FNS-252-R, FNS-252-2 and FNS-252-C, published August 17, 2018.

The Food and Nutrition Service (FNS) did not propose a change to Question 7F on Form FNS-252-FE. The FNS is not adopting this change in this information collection as it is out of the scope for this revision. Such a revision would require a regulatory change.

Regards,
