i am not in favor of letting any more foreigners come here to leach on american citizens. the costs of these foreigners coming here is in the trillions of dollars. we are sick of being browbeaten and bankrupted by paying out for the care of these foreigners who come here to leach on free medical care, free rent, free food, free attorneys, etc. nobody help americans anymore. we have an obligation to help our fellow citizens which is being completely neglected with all this money and time being given to foreigners. let them stay in their own country. refuse to admit any more foreigners into this country. let's clean out the sneak lawbreaking foreigners who have sneaked in here dishonoring our laws. they are hardly good candidates for citizenship since they broke our laws to sneak in here. and then they lie and steal american identities, and then they lie and never pay a cent of taxes. and then they demonstrate for more more more. deport them all. none of them should be allowed to stay here and no more should be let in until we deport the ones who already sneaked in. this method of allowing sneak lawbreaking people is absolutely wrong.
