General Comment

In response to Docket No. NRC-2018-0119 concerning Form 398 Personal Qualification Statement-Licensee

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? YES
 Does the information have practical utility? YES

2. Is the burden estimate accurate? YES

3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?

In block 14, separate the Docket Number from this block and make it a stand alone block.

The Docket Number is required regardless of the type of application (Initial or Renewal).

The current setup leads the user to believe it only applies if a previous license was held.

4. How can the burden of the information collection be minimized, including the use of automated collection techniques or other forms of information technology?

No comment.
