**Comment:**

its time to shut down this application to suspend deportation. its time to tell these people who overstay visas or who sneak unlawfully into this country that its tiem for them to leave america. we are sick of taking them in just because they feel they can fviolate our laws with impunity. giving them endless chances after chancdes makes no sense. deport them without this application this application shoudl be closed down. if it still exists, the charge to use it shoudl be raised to \$100,000 for costs of this application. it is time the taxpaeys stop being fleeced to pay for these illegal liars from foreign lands. they come here and tell fake stories. they belong ion their own country. we are overwhelmed here in america. their costs are in the billions. we are paying it, we have been played for chumps! \*🌐
