Agricultural Trade Promotion Program

Document: CCC-2018-0004-0007
Comment on FR Doc # 2018-18870

Submitter Information

Name: Samantha Anonymous

General Comment

I agree with this action, and believe it will have good affects for producers. Due to recent trade decisions, our producers need assistance. They are the basis for our country. When they suffer, the rest will follow suit. We need to maintain good relations with other countries, to support each others' economies. I support having the various program requirements, and believe these can ensure that the program does not get taken for granted.
