## PUBLIC COMMENT ON FEDERAL REGISTER

MILK FOR CHILDREN - HOW 1950 THAT LAW IS AND IT NEEDS TO BE SUNSET.

THE CHILDREN WILL BE BETTER OFF DRINKING WATER, CLEAN WATER.

IF THE MILK HAS THE GODDAM BGH IN IT THEY SHOULD NOT DRINK THAT AT ALL.

MILK IS MADE BY COWS FOR THEIR CALVES NOT FOR PEOPLE. IT IS MADE FOR CALVES TO GROW BIG AS COWS AS FAST AS POSSIBLE. IT WAS NEVER FOR PEOPLE

THE FACT IS THE MOTHER COWS ARE RAPED IN STALLS AND INSEMINATED BY HANDS AND INSTRUMENTS TO MAKE THEM PERPETUALLY PREGNANT. THEY NEVER HAVE A CHANCE TO RECOVER FROM

BEING PREGNANT. THE GODDAM USDA WANTED COWS TO HAVE TWO CALVES AT A TIME - THEY HAD NOT A BIT OF SYMPATHY FOR THESE MOTHER COWS. THE MOTHER COW LOVES HER CALF AND WANTS IT TO BE STRONG. INSTEAD THE CALF IS TAKEN FROM THE MOTHER IMMEDIATELY AFTER BIRTH AND PUT IN A STALL WHERE IT CANNOT MOVE AND IS FED SOMETHING BESIDES ITS MOTHER'S MILK. THE SYSTEM OF MAKING MILK IS THE MOST DISGUSTING AND INHUMAN IN THIS WORLD. THE MOTHER COWS BAWL FOR DAYS AFTER HER CALVE.

WHAT THE HELL ARE WE DOING WITH THIS 1950 LAW THAT ABUSES COWS LIKE THIS.

COWS CAN LIVE 30 YEARS AND UNDER THE PRESENT AG SYSTEM THEY DIE IN 3 YEARS OR SO.

THEY ARE SO WORN OUT.

THIS SYSTEM NEEDS SHUT DOWN. KIDS DON'T NEED MILK AT ALL. AND CERTAINLY NOT WITH THE BGH IN IT. THIS COMMENT IS FOR THE PUBLIC RECORD. THIS LAW NEEDS CHANGING. DON'T COME AND TELL ME THIS IS CRAP ANY LONGER. PLEASE REPLY. JEANPUBLIC1@GMAIL.COM
