I OPPOSE THIS PROGRAM ENTIRELY. IT IS BANKRUPTING AMERICAN CITIZENS TO PROVIDE FOOD FOR SNEAKING UNLAWFUL FOREIGNERS WHO SHOULD BE DEPORTED FROM THIS COUNTRY. THEY SNEAK IN AND GO ON EVERY WELFARE PROGRAM THEY CAN FIND. AMERICAN CITIZENS HAVE NO MONEY LEFT TO LIVE ON AND ARE FACING BANKRUPTCY BECAUSE THE GOVTS AT EVERY LEVEL TAKE HUGE AMOUNTS TO GIVE OVER TO SNEAKING UNLAWFUL FOREIGNERS WHO BELONG IN THEIR OWN COUNTRY. I AM NOT IN FAVOR OF GATHERING INFORMATION SINCE THE CONGRESS CLEARLY INTENDED FOR NON GOVT ENTITIES TO PROVIDE ANY HELP, NOT THE TAXPAYERS. THIS AGENCY HAS MISREAD THEIR LAWFUL APPLICATION. THIS SPENDING IS WAY BEYOND WHAT WAS AUTHORIZED.

-AMERICAN TAXPAYER ARE FACING BANKRUPTCY BECAUSE OF THE HIGH TAXES IMPOSED ON THEM TO PAY FOR THESE SNEAKING UNLAWFUL FOREIGNERS WHO BELONG IN THEIR OWN COUNTRY. THEY HAVE NO RIGHT TO BE IN THE USA. THIS PROGRAM SHOULD BE SHUT DOWN. NO FEDERAL GOVT SPENDING ON THIS SUBJECT SHOULD BE PERMITTED. LET STATES DO WHAT THEY WANT TO DO INDIVIDUALLY. THIS COMMENT IS FOR THE PUBLIC RECORD. PLEASE REEPLY. Title: Summer Food Site Locations for State Agencies.

Form Number: FNS-905.

OMB Number: 0584-XXXX.

Expiration Date: XX/XX/20xx.

Type of Request: This is a new data collection.

Abstract:

This data collection was originally part of OMB control number 0584-0474 National Hunger Clearinghouse Database Forms and now has been transferred to Child Nutrition in order to improve efficiency under form number FNS-905 and a new OMB control number (0584-XXXX) Summer Food Site Locations for State Agencies.

The Form FNS-905: Summer Food Site Locations for State Agencies is the instrument used to voluntarily collect information from State agencies about approved summer meal sites for the Summer Food Service Program and the Seamless Summer Option of the National School Lunch Program. The form collects site name, location, and operating details, such as dates and times of the day that the sites are in operation, that provide summer meals to children 18 years and younger in low income communities during the summer. The Form FNS-905 may only be completed by State agencies as Summer Sites must be approved by the State agencies before being made public.

The Form FNS-905 is part of requirements found in statute in Section 26 of the National School Lunch Act (NLSA), which mandates that the Food and Nutrition Service (FNS) enter into a contract with a nongovernmental organization to develop and maintain a national information clearinghouse of grassroots organizations working on

hunger, food, nutrition, and other agricultural issues, including food recovery, food assistance and self-help activities to aid individuals to become self-reliant, and other activities that empower low-income individuals.

The Form FNS-543, originally developed to satisfy this statutory requirement, collects information and resources to help build the capacity of emergency food providers to address the immediate needs of struggling families and individuals while promoting self-reliance and access to healthy food. The Form FNS-543a was submitted as an addendum to Form FNS-543. The Form FNS-543 collects information directly from organizations providing other types of assistance; however, the information collected through Form FNS-543a was collected and submitted by the State agencies. Because of this, FNS decided to develop a new form to replace Form FNS-543a. Form FNS-905 was developed for this purpose and may only be submitted by State agencies. The Form FNS-905 collects information about approved summer meal sites. The information from both of these forms populates the National Hunger Clearinghouse, which is a resource for the public to find information about the food safety net.

FNS will also provide this information for individuals to find meals for children when school is out, and for groups that assist these low income individuals or communities to find meals for children in the summer. The information provides an innovative way to connect families to meals during the summer months, and assists communities in the development, coordination, and evaluation of strategic initiatives, partnership, and outreach activities.

Estimated Number of Respondents: The total estimated number of respondents is 53. This includes: the 50 State agencies administering the Summer Food Service Program as well as the District of Columbia, Virgin Islands and Puerto Rico.
