General Comment

Re: Ethnicity/Race: American Indian or Alaska Native:

There seem to be 2 elements to affiliating oneself with this race. Does a person really have to have any origins in any of the original peoples of North or South America (including Central America) AND maintain tribal affiliation or community

attachment in order to identify with this race?

Re: Disability: ?? Intellectual Disorder/Mental retardation (A chronic and lifetime condition certifiable under Schedule A).?

Suggest that the Schedule A conditions be listed somewhere for the applicant's reference.
