YES WE KNOW WE HAVE TICKS ALL OVER THIS COUNTRY WE GET MEDICAL REPORTS ALREADY ON THOSE WHO HAVE TICK BITE HOWEVER, THIS SURVEY WILL DO NOTHING FOR THE PEOPLE OF THIS COUNTRY. WHAT WILL HELP THE PUBLIC IS TO HAVE A FULL EXPLANATION OF TICK SPECIES, EFFECTS OF TICKS. HOW YOU CAN AVOID TICKS PUT ON THE WEBSITE OF THE CDC SO THAT PEOPLE CAN GO THERE SEEKING INFORMATION. NOT ONLY CAN THE PUBLIC FIND THIS INFORMATION BUT ALSO THOSE IN THE BUSINESS OF PEST CONTROL AND THOSE IN THE MEDICAL COMMUNITY CAN GET HELP THERE. WHY IN DO WE NEED A SURVEY. THERE IS NO REASON AT ALL GIVEN IN THIS PROPOSAL OF WHY WE NEED THIS STUPID OUT OF CONTROL EXPENSIVE SURVEY. YOU ALREADY KNOW WHERE THE TICKS NOBODY NEEDS TO KNOW WHAT YOU ARE PROPOSING. PUT THE INFORMATION OUT THERE ON THE WEB FOR THE PUBLIC TO FIND AND USE. YOU JUST WANT TO WASTE AMERICAN TAX DOLLARS. \*🌐
