## Submitter Information

**Name:** diana Thornton

**Government Agency Type:** U.S. House of Representatives

**Government Agency:** US government USDA, dietary guidelines

---

## General Comment

Please do not fund anything eliminating animals on farms due to flatulence. This is the most ridiculous thing I have ever heard. There was extensive discussion about this in the 2015 US Dietary guidelines. Why do we insist on beating a dead horse.

I am a registered dietitian practicing for over 34 years. Please listen to the experts.
