Ms. Plimpton,

I'm writing to let you know that the Office of the Vice President for Research at the University of Minnesota, a comprehensive public university with more than \$80M in NSF funding, supports the comments on the PAPPG submitted by the Council of Governmental Relations (COGR) today. We ask that the recommendations in the COGR response be incorporated by the NSF prior to finalizing the 2020 version of the Guide.

Should you have any questions, I can be reached at the number and email listed below.
