Re: 45 CFR 303.7—Provision of Services in Intergovernmental IV–D; Federally Approved Forms

Dear Sir/Madam:

New Jersey's Division of Family Development-Office of Child Support Services (DFD-OCSS) has reviewed the Department of Health and Human Services, Administration for Children and Families, comment request regarding the 45 CFR 303.7—Provision of Services in Intergovernmental IV–D; Federally Approved Forms, which was published in the Federal Register (FR) Volume 84, No. 117, dated June 18, 2019. The notice proposes revisions to the 13 intergovernmental forms instructions and specific changes to the Transmittal #3 – Request for Assistance/Discovery and the Declaration in Support of Establishing Parentage forms. New Jersey would like to submit the following comment:

New Jersey agrees with all of the proposed changes. Additional implementation time would be needed based on the amount of system modification necessary. There will also be a training component for child support staff which will require our office to develop a plan and training materials.

Thank you for your consideration in this matter.

Sincerely,

Patricia Risch
Assistant Director
