Subject: [NOSECURE] Feedback on Proposed FMLA Revised Forms
Date: Friday, September 13, 2019 2:15:43 PM

I recommend that the 2 forms for serious health conditions include for item # 3 on the 1st page after "...we learned of your need for leave ..." the following:

"... we learned of your need for **intermittent leave or full leave [check off 1 of the boxes]** ...". That way at least the medical provider is aware of what

their patient requested from their employer. This may facilitate the medical provider in completing the requested form more accurately.
