Subject: Revised Healthy Start screening tools--draft for public comment
Date: Friday, March 29, 2019 7:09:03 PM

Hello,

A comment below about the Revised Healthy Start Screening Tools. Thank you.

- With the new Healthy Start grant of now serving male partners or father of baby – Is there a tool to screen for father of baby or male partner involvement?
- Which tool(s) is most appropriate for screening male partner or father of baby involvement - Background Mandatory Tool?

Sincerely,

Christine Vang, HES
