Subject: FMLA Suggestion
Date: Thursday, September 05, 2019 11:15:14 AM

Often times, employees do not understand what FMLA is. Please consider the following:

-A simple timeline of why FMLA was enacted and why it is an advantageous thing to employees.

I make time to explain it to each employee that has a question about it, but I feel that a simple print out to include would be very helpful.

Thanks!

Jessica Sewich, SHRM-CP
