In the Designation Notice, Section III, it the first box is: "Provided there is no deviation from your anticipated FMLA leave schedule, the following number of hours, days or weeks will be counted against your leave entitlement:". It would be helpful for this to be broken down into three items to make it more clear for both the employer and employee: 1. As of the date of your request for FMLA leave, the number of days or hours you have available for FMLA is:_____. 2. We are approving your request for ____ days/hours of FMLA leave. - Then for continuous leave requests: 3. Your expected return to work date is:_____.
