census should be a total population of all inhabitants in America. It does not hurt to be able to categorize the people in the nation. We ask questions about race why would citizenship information through states be any different? I understand the fear on behalf of the illegal aliens, but If they have this much of a fear its likely they wont participate in the census in any regard, but Also, people should be legally entering the country, so it may be beneficial to our security to know the statistics of people who are not. \*🌐
