Comment:	From a conservative approach to the breadth of federal
-----------------	--

authority, I think this proposition would likely infringe on State and individual rights. There should always be concern in why the government wants to collect information. As we have seen in the past, such information could be used in a discriminatory manner for partisan gain. On a separate note, the cost and administrative burden also appear to outweigh any benefit. In total, the costs far outweigh any benefit to this rule. *🌐
