

2010 CMS 855 Forms Revisions

#	<u>Change</u>	<u>Current Section</u>	<u>Reason</u>
1	Bullets added; Removal of the HHABN (discontinued in 2013); clear direction of the purpose of the ABN is to transfer potential financial liability to the beneficiary	Overview	Improve readability; remove language that was new at the time with the prior PRA submission
2	Added instructions for dual eligible beneficiaries to comply with Title 18 of the Social Security Act; Removal of Section 504 language since this is included on the Form itself and was included on the form instructions with the last submission	ABN Changes	Update to Title 18 of the Social Security Act; remove language that was new at the time with the prior PRA submission
3	Formating; Under Option 1, language added to provide instruction for dual eligible/QMB beneficiaries	Completing the Notice	Improve readability; compliance with Title 18 of the SSA
