Submitter Info

Comment: We live in a very cold state. We also live in a mobile home which makes are heating bills outrageous. Just to keep are kids warm. As long as things such as heat tape to make our pipes not freeze. We are low income with little babies. I'm disabled as well. The standardized proposed plan for utilities rather than the state decided will greatly hurt us. We already find it hard to provide food on what are snap is now. Please reconsider for MT and colder states. We need our utilities and food. Every penny counts for us and many other families. *🌐
