Dear Ms. Snell:

Thank you for your comments in response to the recently published 60 day notice regarding Office of Management and Budget (OMB) collection 0584-0074, FNS 380, Worksheet for the Supplemental Nutrition Assistance Program's (SNAP) Quality Control (QC) Reviews.

You expressed a concern about the actions that you witnessed being taken by SNAP recipients at a grocery store. Based on these activities, you believe there is a need for more accountability of the manner in which SNAP benefits are used. While we appreciate your comments and the time you took to provide us with your feedback; your comments do not relate to the purpose of our information collection.

OMB collection 0584-0074 is seeking comments on Form FNS-380, which is used to determine eligibility and benefits for households selected for review in the QC sample of active SNAP cases. The information collected on Form FNS-380 aids States' QC reviewers in analyzing case records, planning and conducting field investigations, and gathering, comparing, analyzing and evaluating data. Thank you again for your observations.

Sincerely,

John For McCluskey
