Dear Mr. Kelman:

Thank you for your comments in response to the recently published 60 day notice regarding Office of Management and Budget (OMB) collection 0584-0074, FNS 380, Worksheet for the Supplemental Nutrition Assistance Program's (SNAP) Quality Control (QC) Reviews.

You expressed a concern about the use of assets to determine an immediate need for sustenance. You also indicated that the fraud that may occur in the SNAP program does not compare to the fraud that may be occurring in other areas such as military and other government contracts, farm subsidies, and corporate tax fraud. While we appreciate your comments and the time, you took to provide us with your feedback; your comments do not relate to the purpose of our information collection.

OMB collection 0584-0074 is seeking comments on Form FNS-380, which is used to determine eligibility and benefits for households selected for review in the QC sample of active SNAP cases. Information collected on Form FNS-380 aids States' QC reviewers in analyzing case records, planning and conducting field investigations, and gathering, comparing, analyzing and evaluating data. Thank you again for your observations and comments.

Sincerely,

Stephanie Proska

Quality Control Branch
