Through this information collection, ACF is gathering data on the grant program to assess program performance, inform evaluation, tailor technical assistance, report to stakeholders, and inform policy and program development. Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. This collection of information is required to retain a benefit (22 USC 7105, Trafficking Victims Protection Act). An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995, unless it displays a currently valid OMB control number. If you have any comments on this collection of information, please contact Flavia Keenan-Guerra@acf.hhs.gov.
