2412 Foothill Blvd

Space 146

Calistoga, CA, 94515

General Comment

Please do not change the required threshold for receiving food stamps and assistance. Our food bank has difficulty in keeping up with the demand for food as it is.....we have many hungry children in our country. What a shame that the richest country in the world has families begging for food. This is unacceptable. Shame on the administration for considering reducing federal spending on the most needy in our society.
